**Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error.

**Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Rocky Mountain Rural Health, Inc. as of December 31, 2013 and 2012, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

December 31, 2013 and 2012

**NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Organization – Rocky Mountain Rural Health, Inc. (the “Organization”) is a Colorado nonprofit corporation which was incorporated in 1989. The Organization’s purpose is to provide access to health care to the people of South Park through special programs and financial assistance.

Basis of Reporting – The Organization’s financial statements have been prepared using the accrual basis of accounting.

Financial Statement Presentation – The Organization reports its financial position and activities in three classes of net assets: unrestricted, temporarily restricted and permanently restricted. The Organization does not have any permanently restricted net assets as of December 31, 2013 and 2012.

Cash and Cash Equivalents – For financial statement purposes, the Organization considers all highly liquid investments with an original maturity of three months or less to be cash equivalents.

Property and Equipment – Property and equipment are recorded at cost. Donated property and equipment are recorded at fair value at the date of donation. Depreciation is recorded using the straight line method over their estimated useful lives. The Organization capitalizes all property and equipment with a useful life of more than one year. If donors stipulate the use of property and equipment, it is recorded as restricted. The Organization is depreciating the Improvements/Infrastructure over 15 years and equipment over 10 to 15 years.

Contributions – Contributions received as well as collectible unconditional promises to give are recognized in the period received. All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are restricted by the donor for specific purposes are reported as temporarily restricted or permanently restricted support. Temporary restricted net assets are reclassified to unrestricted net assets when the donor restriction is satisfied. Conditional promises to give are recognized when the conditions on which they depend are substantially met.

Functional Allocation of Expenses – The costs of providing the various programs and other activities have been summarized on a functional basis in the accompanying financial statements. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Income Tax Status – The Organization is recognized as a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code.

Subsequent Events – Potential subsequent events were considered through October 2, 2014. It was determined that no events were required to be disclosed through this date.
